**Asset Management Fall Summit** – Fall summits are being held across the state to present an update on activities since the Spring Summits. The final summit will be in Lawrence at the Van Buren Conference Center at 490 South Paw Paw Street on November 12, 2019.

**Certification Review** – The Federal Highway Administration and the Federal Transit Administration will be conducting a Certification Review of the KATS Planning Process in November. This is a review that is done for all Transportation Management Areas, those Metropolitan Plan with an urbanized population of at least 200,000. This will be our second review.
