FY 2020 Obligated Project Report

The preparation of this document has been financed in part through grant[s] from the Federal Highway Administration and Federal Transit Administration, U.S. Department of Transportation, under the Metropolitan Planning Program, Section 104(f) of Title 23, U.S. Code. The contents of this report do not necessarily reflect the official views or policy of the U.S. Department of Transportation.

Federal Guidance

The Kalamazoo Area Transportation Study is the designated Metropolitan Planning Organization (MPO) for all of Kalamazoo County, as well the Van Buren County Townships of Alma, Antwerp, Paw Paw, and Waverly. As the designated Metropolitan Planning Organization (MPO), KATS is required by Federal law to prepare a Transportation Improvement Program (TIP) to indicate how the Metropolitan Transportation Plan (MTP) will be implemented. Preparation of the TIP is required by federal legislation known as Moving Ahead for Progress in the 21st Century (MAP-21) and by the Metropolitan Planning Regulations (23CFR 450.324) of the United States Department of Transportation (USDOT). The MPO's current TIP covers the Fiscal Years 2020-23, from October 1, 2019, to September 30, 2020 and provides a prioritized list of multimodal transportation projects within the MPO area.

MAP-21, requires that MPOs to publish an annual listing of projects for which funds have been obligated in the preceding year as a record of project delivery and a progress report for public information and disclosure. In addressing MAP-21 requirements, this report lists all transportation projects in the study area that were obligated during Fiscal Year 2020 (October 1, 2019 - September 30, 2020).
