Changes from the base plan meeting are incorporated. See Detailed work description for changes in fix type details, including reconstruction fix type from South Street to Lyons Street in the village of Schoolcraft. \$14.6M construction cost reduction results from basic mill and resurface work type applied for much of the project and reconstruction costs are well controlled in the village of Schoolcraft. An Operations project, JN 132836, contributes about two million of funds for project work originally estimated in this project. JN 210099, \$15M of US-131 resurfacing from Rocky River to M-216 has been merged into the same construction contract with an approved change request. The project is also moving to FY2023 letting to allow for a 3-season plant survey for the corridor packaged project. At 11/10/21R&R Sub-Committee review meeting the proposal for adjusting RBMP target from FY2022 to FY2023 in coordination with this CR was accepted by Michele Fedorowicz. Adjusted PE budget to accommodate additional budget needed for final reviews, advertisement and phase close out activities. Total CON-Road budget was increased from \$8.619M to \$9.700M, Total Con-CE budget was increased from \$1.206M to \$1.455M and Total PE budget was increased from \$1.206 to \$1.300M. Project limits were adjusted to match the final design plan project limits at the POB/POE and Union Street as well as separate out the Rehab/Recon sections throughout the project limits. CON phase anticipated start date and end date were adjusted to to match the supplied final progress clause. These changes should not require a TIP amendment.

Kalamazoo Area Transportation Study [KATS]	T	204883	13	11/15/21 12:51	RUDLAFFK	2024	I-94	East of M-51 to east of M-40 in Van Buren County	6.848	Three Course Asphalt Resurfacing	I-94 and M-40 Road and Bridge Work	CON	\$43,200,000	\$4,800,000	\$0	\$48,000,000	Y	N/A	05/25/2022	05/25/2022	09/19/2022		Bridge fixes and budgets migrated from scoping report to JobNet for I-94 over South Branch Paw Paw River, resulting in \$450,000 reduced structure budget. M-40 milling and single course HMA paving added from St. Joseph Avenue to Power Plant Road to better address 2010 HMA surface with cracks starting to open at estimated \$1M cost. It is desirable to address M-40 within the entire village limits on this project according to a favorable pavement preservation timeline and completing work on this segment while there are significant impacts to M-40 traffic during the interchange reconstruction. Construction budget reduced by \$2M taking into account reductions in bridge cost and to align better with the road scoping estimate completed this year. This project is implementing the dual two lane roundabout configuration recommended in the PEL study report during the EPE phase. Design Consultant selection process is expected to start in fall of 2021. This CR reviewed and accepted at 10/13/2021 R&R Sub-Committee meeting.	Scope Construction Length Change	
Kalamazoo Area Transportation Study [KATS]	T	204883	14	3/17/22 8:56	STACKR	2024	I-94	East of M-51 to east of M-40 in Van Buren County	6.848	Three Course Asphalt Resurfacing	I-94 and M-40 Road and Bridge Work	CON	\$47,841,256	\$5,315,696	\$0	\$53,156,951	Y	N/A	05/25/2022	05/25/2022			Updated budgets for 80024-B01-3 & 4, and 80024-S03 based on the 2022 Bridge Cost Estimating Spreadsheet. Rudlaff notes that bids on structure work have been coming in about 25%-50% higher than estimate since the lettings in the fall of 2021. This budget adjustment is made to bring estimated structure cost in alignment with recent bid prices.

Adjusted CON Phase End date and ROW Phase dates and ROW cert date accordingly. CON Phase construction year is anticipated to be 2025 with the proposed December 2024 letting. This project FY CON Phase move is part of the submittal for the 2027 CFP that has been reviewed and approved by Sam Sorensen and Kyle Rudlaff. This project has had detail scoping performed and compressing the schedule will not be an issue. This change will require a S/TIP amendment. Rudlaff notes that this move backfills US-131 JN 210099 being moved from FY2025 to FY2022 last week. (11/15/2021 Rudlaff notes) This CR reviewed and accepted at 10/13/2021 R&R Sub-Committee meeting.

PE	\$0	\$0	\$1,800,000	\$1,800,000		N/A					This is a system generated Change Request for migrating this job from framework v20 to framework v21. As part of this CR, PR and/or PR MPs and associated attributes have been updated.		
Kalamazoo Area Transportation Study [KATS]	T	212745	4	10/18/21 11:53	DENBRABER K	2021	US-131	At US-131BS in Oshtemo Township, Kalamazoo County.	3.534	Interchange Redesign & Upgrading	Construct interchange ramps on US-131 at US-131BR.	PE	\$0	\$0	\$1,800,000	\$1,800,000		N/A					This project has been selected as a RBPI. A meeting was held on 9/30/21 with Jeremy Riley and Sam Sorensen to discuss FHWA involvement on this project and the new requirements for a RBPI.		
Kalamazoo Area Transportation Study [KATS]	T	212745	5	7/27/22 13:55	SMITHJ29	2021	US-131	At US-131BS in Oshtemo Township, Kalamazoo County.	3.534	Interchange Redesign & Upgrading	Construct interchange ramps on US-131 at US-131BR.	PE	\$0	\$0	\$1,800,000	\$1,800,000		N/A					Added CON, ROW and UTL phases utilizing MXE funding as directed by Adam Feldpausch in an email on 06/29/2022. The existing \$3M earmark could be used immediately for the ROW and UTL phases. The CON Phase is being programmed outside of the 5-year plan so that it can be moved into the program when funding is obtained. This CR is being submitted on behalf of Kerry DenBraber. Rudlaff notes with approval of this CR, the project can now be tagged as a "Shelf" project and this will trigger preliminary review by the R&R Sub-Committee during the 2028 Call-for-Projects.
